citizenU

Angela Lau 劉雯雯

citizenU is a three-year citywide Action Research Initiative designed to engage Vancouver youth and their families in addressing racism, discrimination and bullying; and in building community cross cultures, faiths and generations. citizenU is funded by Citizenship and Immigration Canada and delivered by the City of Vancouver. Youth participate in the nine-month program through community host sites across the city. The program begins with training workshops that address different forms of discrimination and ways to respond. Participants then participate in citywide events that explore these issues in the community. Finally, participants have the opportunity to develop and deliver their own youth-led projects to address discrimination. Beyond the nine-month program, an alumni program provides volunteer and internship opportunities, and ongoing chances to take part in events, activities and youth-led projects.

citizenU 是溫哥華市一個為期三年的研究計劃。目的是令溫哥華的青少年及他們的家人能正視種族歧視，排斥及欺凌行為；同時建立跨文化的社區，信念及世代。citizenU 是由加拿大移民局及入境處贊助，溫哥華市政府部門執行的。青少年會透過社區舉辦機構去參與一個為期九個月的計劃。這個計劃會先舉辦培訓班，提述關於不同種類的歧視及適當的回應。參加者會參與一些探討這些問題的市區活動。最後，參加者會有機會構思及舉辦一個正視歧視的社區活動。完成這為期九個月的計劃的青少年，畢業生會提供義工及實習機會給他們。讓他們能不斷地有機會參與有青少年舉辦的活動。
