Chinese New Years Parade

華埠農曆新年遊行

In the Chinese saying, the year of the horse is a year of energetic and financial volatility. CCPC would like to wish everyone a Happy Lunar New Year! A supporter of the Chinese New Year Parade, CCPC participated in it on February 2nd 2014. Our volunteers walked the parade with VPD, VPD pipe band, "Chip", E-COMM, the CPC mascot, other CPC volunteers, and other organizations. CCPC gave out candies and fortune cookies to the community, wishing the community good health, luck and fortune in the year of the horse.
