華人警訊服務中心  
Chinese Community Policing Centre

*Working Together Hand in Hand*

王安 Andrew Wang  
郭宇恩 Yvonne Kwok

**H**i everyone! We are Andrew Wang and Yvonne Kwok, this year's Co-op students for the Chinese Community Policing Centre. Coming from the faculty of Arts from UBC, we are the ones that you might have seen around your community this summer. Yvonne is an Economics major, pursuing a career in public relations and event planning. Andrew on the other hand is a Political Science major, who is unsure about his future career path. Our personalities are distinct and different yet feel somewhat familiar at the same time, establishing a weird yet welcoming friendship. We are similar in that we are both talkative, friendly and organized – although we can sometimes be borderline crazy. Yvonne excels at communicating with the public in a professional and firm manner, while Andrew is more comfortable putting his words down on paper. Yvonne's excellent language abilities in Cantonese allows her to communicate fluently to Cantonese speaking vendors, while Andrew's average Mandarin skills allows him to connect with Mandarin speaking clients.

Throughout this Co-op term at CCPC, our strengths and weaknesses were highlighted in the many projects we did. Working on vendor communication, daily patrols and event projects helped us not only better understand the underlying social framework of the Vancouver-Chinatown area, but of ourselves as well. Our distinct strengths helped us form a strong team, jumping over hurdles that we encountered throughout this short but memorable journey. Through various activities and projects we worked hard to facilitate a healthy relationship between local law enforcement agencies and the Vancouver community. It was a pleasure serving the Chinatown community, and we hope to see you again!

**攜手合作建華埠**

**大**家好！我們是華人警訊服務中心的實習生－王安和郭宇恩。這個夏天，我們常在華埠社區巡邏和參與活動，所以你很有可能曾經見過我們。宇恩主修經濟，打算將來做有關活動策劃或公關的職業，而王安主修政治學，仍在積極尋找未來的事業方向。我們的性格雖然截然不同，但是當中的共通點卻讓我們建立了一段特別又友好的關係。我們兩個都喜歡與人交談，而且待人友善和有組織，有時候還會因為微不足道的小事而表現得欣喜若狂。我們各有長處，宇恩擅長專業又親切地接觸公眾，王安則擅長以文字表達和記錄日常的工作。華埠的商戶以粵語溝通為主，正好讓宇恩發揮她一口流利的粵語，而王安對國語的認識就可補宇恩的不足，讓我們可更全面與華埠的商戶好好溝通。

在華人警訊實習的三個月內，我們除了負責和華埠商戶溝通和日常巡邏外，還有為社區籌備特別活動。為華人警訊服務讓我們更清楚明白溫哥華華埠的社會結構，同時讓我們了解自己的長處和短處。我們不同的強項讓我們有效地解決遇上的種種難關和成為更合拍的拍檔。透過在華埠舉辦不同社區活動，我們希望為華埠和溫哥華市區甚至執法部門建立更良好的關係。我們很榮幸在華人警訊為華埠商戶、居民和遊客服務，期待我們下次再見！
