Helping Hands: The Unexpected Pair

援助之手: 意想不到的搭檔

Terrence Deng 鄧兆君 Andrew Lai 黎耀中

Hello, we are two university Co-op students for this year's Helping Hands Program, Andrew Lai and Terrence Deng. While Andrew is from UBC, Terrence from SFU, the main difference between us is not the fact that we are from competing universities, but in our hobbies and personalities. For example, Andrew enjoys—watching and playing sports, while Terrence enjoys reading novels watching the news. Andrew is more casual, while Terrence is more serious. Then one would ask, "how on earth would these two work well together?". But it is because of these dissimilarities that we find our compatibility. With such differences, we learned to cover for each other's deficiencies and weaknesses. What one lacks, the other has, uniting our different—attributes to form a compatible working partnership. To be more specific, while Terrence focuses more on macro level perspective when handling situations, Andrew concentrates his attention on micro level perspectives. As a result, this pair of Helping Hands Co-op students continue to work well with not only ourselves but as well with other coordinators in the office, because we all work towards one common goal of enhancing the quality of life for Chinese speaking people.

大家好,我們是華人警訊服務中心援助之手項目裡面的黎耀中和鄧兆君。黎耀中是來自英屬哥倫比亞大學(UBC)的心理系實習生,而鄧兆君則是來自西門飛沙大學(SFU)的犯罪學系實習生。我們不僅擁有不同的學歷背景,還有相對不同的一性格。比如說鄧兆君是一個比較安靜且認真的人,黎耀中則比較鍾愛觀看以及參與各項運動項目。值得一提的是,正是因為性格上的不同而鑄造了這意想不到的搭檔。在工作上,雖然鄧兆君在細節上處理事務不如黎耀中,但宏觀分析上則比黎耀中略勝一籌。而正是這樣的一對搭檔成為了今年的援助之手項目的實習生。今年我們會再接再厲地為大溫哥華華人社區提供服務與提升生活質量。

Community Track Day —社區交流日

Terrence Deng 鄧兆君 Andrew Lai 黎耀中

A day where the Chinese Community Policing Centre took part in the

Hastings- Sunrise community, getting together with other non-profit organizations to participate in the 2013 Community Days at Hastings Racecourse. A sense of community was seen in the gathering of participants, from young children to elderly individuals, all gathered to participate in the BBQ and the day's events. As funds were raised to benefit the community for each horserace, this power of community and happiness really resonated with

the participants the entire day.

社區交流日是由溫哥華華人警訊和喜事定社區中心聯合舉辦的一個活動。活動當天大家可以在PNE(pacific national exhibition)裡一邊沐浴著陽光,一邊享受著燒烤美食,還能一邊欣賞跑馬賽事。還有不同的活動來提高社區生活水平。這個社區交流日最重要的是融合不同的社區與文化,促進人與人之間的聯繫,還有鞏固社區和諧風貌。

CitizenU 是溫哥華市政府為了 教育青年關於反欺凌, 防止歧視 意識為中心而實行的一個項目。 它在提供長達9各月的訓練與教 育。在頭三個月的的課程裡學子 們接觸到如何避免受歧視, 受欺 凌後該如何面對, 等等。在第二 期的學習會裡學生們更會接觸由 歷屆畢業生所創作的反歧視反欺 凌相關作品等。而這個項目的畢 業典禮正是在第二期之後舉行 的。學生們在畢業禮上可以把頭 兩期裡學到的東西融匯到一起, 暢談今後關於歧視和欺凌項目的 發展與猜想等。這個項目志在讓 學生們在融貫各方欺凌與歧視方 面的知識之後, 再在不斷地創新 之下達到消除這兩個難題的目 的。相信這個項目會令今後的校 園欺凌會明顯減少, 潛伏在社會 裡各階層的歧視也會逐漸消失。 目前為止已經達到不俗的效果。

CitizenU 畢業禮- CitizenU graduation

鄧兆君Terrence Deng 黎耀中Andrew Lai

CitizenU is a program run by city of Vancouver which contains three phases in total, the first phase involves the basic training on bullying and discrimination; the second phase encourages participants to attend different special events/presentations created by other organizations about discrimination and bullying; while the third phase requires participants gathering their experiences to come up with a new presentation/promotion in regards to bullying. All these phases combine into a 9-month program, and it is primarily for youth group age from 13 to24.

The graduation comes after phase 2 (June 8th)—presented their ideas of what they're going to about their events. There is also a scavenger hunt. The alumni from CitizenU will bring their accumulated knowledge about discrimination

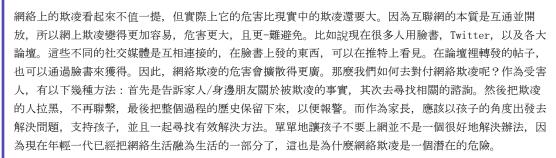

and bullying, and raise the awareness for communities as well as within their school.

如何應對網絡欺凌

How to Handle Cyber Bullying

Cyber—bullying is becoming a very more frequent danger to online users. Because of the nature of internet itself, bullying takes in various forms and becomes more convenient. For instance, through the use of Facebook, Twitter, Instagram and various online forums, one can easily post offensive language targeted to one person, in addition, all the social media services are linked to each other, hence exaggerates the effects brought by Cyber Bullying. How do we deal with it? We have come up with general possible solutions: 1. Look for peer/family support. 2 Counselling services. 3. Block the person/comment. 4. Keep history of the comment so you have evidence to report

As a parent, if your child tells you about being bullied, talk with them first, and know the cause of it. Then, seek a solution together, telling him/her just get off the internet is not the solution because social media has been incorporated into parts of youth's daily life, from watching the news to chatting with friends online. For this generation these days we cannot simply "get off" from the internet. This is why cyber bullying is a potential threat to most youth.

Volunteer of the Month for May

"It has been a great first year here at the Chinatown CPC. I have been given a fantastic opportunity in meeting new people and learning about the history of the downtown east side here. The differences we can make and the ability to make a change is very fulfilling here. I highly enjoy working with others here and love the support we all have for each other. Thank you all for this opportunity."
